Dear Parishioners,

Please accept my personal thanks to all of you who have been patient with the record breaking snowfalls in our area over the past six weeks, probably causing you some problems on your visits to our

church and school areas.

Every effort has been made to clear our three church parking lots for Masses, meetings and usual church business and the very large school lot for our parish children's religious education and sports programs.

We have already far exceeded our budget for snow removal for this season and face the real possibility of yet more snow to come before the winter ends. I am asking for your continued understanding, patience, and financial generosity; I especially request that you take every precaution for your safety and practice good judgment when coming to our church and school facilities.

Now let us all join together and pray for an early spring.

Most gratefully,
Fr. Mark
