The Diocese of Trenton's High School Youth Day was held last Sunday at St. Aloysius in Jackson hosting inspirational speaker and musician Paul J. Kim who with his music and interactive vocal abilities of beatboxing (vocal drumming) entertained and inspired over 300 youth to turn over their lives to Jesus Christ—coming to him just as they

are—knowing He loves and cares for them.

Mary Bentley (pictured left) received the St. Timothy award presented to Mary by Bishop David O'Connell at the Diocesan Youth Conference. This award is given each year to a high school youth who exhibits leadership skills, is respectful, responsible, is generous with her time to aid those in need, lives her catholic faith and is eager to expand her knowledge of that faith. Mary is a senior at Raritan High School. She will attend St. Peter's College in the fall in their pre-med program.
