YOUR ACTION IS NEEDED

Bishop O’Connell encourages all Catholics to respond to the U.S. Dept. of Health and Human Services announcement regarding almost all employers, including Catholic employers, will be forced to offer their employees health coverage that includes sterilization, abortion-inducing drugs, and contraception. And almost all individuals will be forced to buy that coverage as a part of their policies. Unless the rule is overturned, we Catholics will be compelled to violate our consciences or to drop health coverage for our employees and suffer the penalties for doing so. Please log on to www.usccb.org/conscience and TAKE ACTION NOW.
