RESPECT LIFE

SPIRITUAL ADOPTION PROGRAM

Week 7

So much is happening every day! My elbows have formed. Now I can bend and flex my arms. Watch out Bruce Lee! My tiny little fingers are starting to grow. I have feet with tiny notches for toes. I can't wait until my mommy plays "This little piggy" with them! When I get bigger I will use my feet to nudge my mommy to remind her that I am here! Thank you God for creating me! Thank you for your prayers!

ALTAR & ROSARY SOCIETY

MEMORIAL EASTER PLANTS

The Altar & Rosary Society is sponsoring a program whereby families may purchase a Mum or Easter Lily plant to be placed on the altar in memory of a loved one during the Easter Season. The Easter Vigil Mass will be offered for those remembered in this special way. The donation is \$10. Parishioners are invited to use the envelope included in your monthly mailer or envelopes are also available at all church entrances.

Dear Parishioners,

The Church's support of marriage is shown in a variety of programs to help men and women to know God's plan for marriage and the Church's teaching. Remote preparation, which can begin in the family, takes on a more organized character in the form of courses in high school and college years. As engaged couples draw closer to the celebration of marriage, there are more intense programs of preparation, frequently called "pre-Cana programs.

These programs are all the more necessary because cultural changes in recent times have undermined God's will for marriage. The sexual revolution, aided by artificial contraception, has made it more culturally acceptable for men and women to have sexual relations without having to marry each other. Each extra-marital act of sexual intercourse is a grave, serious, i.e., "mortal," sin that distances the sinner from a loving, inviting God. The casual acceptance of unmarried cohabitation --- and of couples' entering marriage without a permanent commitment --- contradicts the very nature of marriage. Those who live together as 'de facto' husband and wife without the benefit of marriage live in a constant state of serious sin that precludes each of them from receiving the Holy Eucharist, i.e., Communion, worthily and in the necessary state of grace. To take the Lord in Communion while living with unrepentant serious sin is to take on the added serious sin of sacrilege.

The political pressure for the legalization of same-sex unions is yet another step in the erosion of God's plan for marriage and the understanding of marriage in the natural moral order of creation.

The legalization of abortion has reduced the pressure on men and women to be concerned about the consequences of unwanted pregnancies.

Fr. Mark
